### HERE'S THE REST OF THE STORY:

THE BECKHAMS will provide a variety of beverages and comestibles (both kid and adult-friendly), and in the grand tradition of sharing, would love contributions of same from those who are moved to do so. You won't be checked at the door.

GIFTS are not expected, but Sue is always entertained by funny little offerings.

THE CAB BARN DANCE BEGINS AT 7PM. Not only are Dick and Sue "hooked" on barn dances and their music – they do some of the running the thing. They MUST be at the Academy gym before 7 – they have the cash box and other necessities. They have plenty of help, but more would be welcome. THE most welcome thing would be for party guests of all ages to come to the dance, and bring their kids and friends. Chris Silver's **WOOLY BUGGERS** will be rocking the house for that evening's dance, at the Academy Gym, which is due to be remodeled next winter and temporarily unavailable for barn dances. (CAB is working toward a temporary venue for 2018-2019; suggestions welcome!!)

CALL 715.425.7143 for more info or directions. Looking forward to seeing everyone!
